**For Immediate Release**

## **Goldstar closes first tranche of offering of flow-through units and non-flow-through units**

**Montréal, Québec– April 11, 2016 – Goldstar Minerals Inc. (“Goldstar” or the “Corporation”) (TSX Venture Exchange: GDM)**

The Corporation is pleased to announce that the first tranche of the offering was completed for gross proceeds of \$133,360, consisting of 3,450,000 flow-through units and 3,218,000 non flow-through units. The Corporation has paid EMD Financial Services an amount of \$8,830 as a Finder’s fee.

Each flow-through unit at a price of two cents consists of one flow-through common share and one-half of a common share purchase warrant, each full warrant entitling its holder to purchase one common share at a price of \$0.05 per share for a period of 24 months following the closing date.

Each non flow-through unit at a price of two cents consists of one common share and one common share purchase warrant, each warrant entitling its holder to purchase one common share at a price of \$0.05 per share for a period of 24 months following the closing date.

The Corporation has agreed to pay the Finder in respect of certain subscriptions i) a cash fee equal to 10% of the gross proceeds; ii) Finders options entitling the Finder to purchase such number of common shares equal to 5% of the aggregate number of units issued at a price of five cents per share for a period of 24 months following the closing date; iii) such number of common shares of the Corporation equal to 5% of the number of units subscribed pursuant to the offering; and iv) a corporate finance fee of \$5,000 at closing.

### **Use of proceeds**

The proceeds of the flow-through offering shall be used incur Canadian exploration expenditures (as defined in the *Income Tax Act* (Canada)), which will be renounced for the 2016 taxation year for mining exploration work on the Corporation’s Lake George property located in New Brunswick. The program for 2016 will include an airborne survey (\$85,000), remote sensing study (\$15,000), as well as permitting, compilation work, targeting and diamond drilling (\$140,000).

The proceeds of the non-flow-through offering shall be used for general corporate purposes. No part of the proceeds shall be used to reimburse insiders of the Corporation for past indebtedness.

All securities issued, including the Common Shares underlying the warrants, are subject to a statutory hold period of four months and one day from the date of closing. Closing remains subject to all applicable regulatory approvals, including the approval of the TSX Venture Exchange.

This press release is not an offer or a solicitation of an offer of securities for sale in the United States. The securities have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration.
